PROFILE

Detailed-Oriented Frontend developer with more than two years of experience working with HTML, CSS, JS and Tailwind CSS. Highly adept at both independent and collaborative projects, with an emphasis on landing page and website development.

- Facilitated effective communication with clients to ensure their needs and vision were understood and met.
- Skillfully designed and maintained front-end interfaces for both web and mobile applications.

WORK EXPERIENCE

2021-2023

Operation Team Lead

Gooday Online Digital Advertising

- Led a team of operations staff members, coordinating daily tasks, setting priorities, and ensuring timely completion of projects.
- Trained and mentored team members on best practices, resulting in improved performance and increased employee satisfaction.
- Participated on developing an office back tool for managing team operations using a front end frame work(Vue.js).

Junior Web Developer

Addis Ababa University | May 2019 to July 2019

- Cooperate with designers to create clean interfaces and simple, intuitive interactions and experiences.
- Develop project concepts and maintain optimal workflow.
- Work with senior developers to manage large, complex design projects for corporate clients

NATNAEL DEMELASH

FRONT END WEB DEVELOPER

TO WHOM IT MAY CONCERN,

As a passionate Frontend Web Developer, With almost two years of experience in developing responsive websites and landing pages, a solid understanding of Object-Oriented Programming (OOP), and proficiency in HTML, CSS, JavaScript, Tailwind CSS, React, and Flutter, I am confident in my ability to contribute effectively to your team.

In my previous role I was an Operation Team Lead in a digital and advertising company. Through working collaboratively with marketing, and product teams, I have developed strong communication and teamwork skills. I can bring my technical skills and passion for collaboration to your Company team.

I have always been passionate about web development, which led me to pursue a Bachelor of Information System degree from Addis Ababa University. I am constantly seeking out new technologies and staying up-to-date on trends in the industry. I would really like to join the team as a Web Developer.

Thank you for taking the time to review my qualifications. I look forward to sharing more about my skills and experiences. Feel free to contact me at +2519-29-050548.
